"India is placing strong emphasis on aircraft design, manufacturing and the MRO ecosystem. The country is already a major manufacturer and supplier of aircraft components."

SHRI NARENDRA MODI
Hon'ble Prime Minister of India

INDIAN AVIATION MARKET: A GROWTH ENGINE FOR CONNECTIVITY & COMMERCE

EXPONENTIAL GROWTH OF AIRPORTS

(2014) 74 → (2026) 164 → (2047) 400 Govt.'s Target

AIR PASSENGER GROWTH
Domestic + International

(FY15) 190.13M → (FY31) 665.00M Projection

AIR CARGO VOLUME RISE
Domestic + International

(FY15) 2.53MMT → (FY30) 10.00 MMT Projection

DIGITALISATION & SMART AIRPORTS: AI-powered airport digital twins, enhanced passenger experience, DigiYatra and advanced MRO analytics, cargo tracking, warehouse management are strengthening India's position as a MODERN GLOBAL AVIATION HUB.

AIRCRAFT FLEET & MRO: India's airline fleet expansion is driving demand for aircraft maintenance, repair and overhaul (MRO), components and engineering services.

SUSTAINABLE AVIATION & GREEN AIRPORTS: The Government is promoting carbon accounting and phased progress towards carbon-neutral and net-zero airport operations.

CYBER SECURITY: The India aviation cyber security market size is valued at USD 170.0 million, projected to scale up significantly to USD 288.1 million by 2034. Next-gen AI-driven threat detection, endpoint security, and identity-access management solutions tailored for modern Indian aviation hubs.

CARGO TRANSFORMATION & TARGETS: India is stepping up efforts to transform its air cargo sector and achieve an ambitious target of handling 10 MMT of air cargo annually by 2030 from present 3.96 MMT. The target is aimed at strengthening India's position as a GLOBAL LOGISTICS AND MANUFACTURING HUB

SUSTAINABLE AVIATION FUEL (SAF): India has announced indicative SAF blending targets of 1% by 2027, 2% by 2028 and 5% by 2030 for international flights.

AVIATION TRAINING & SKILLED WORKFORCE: With 41 Flight Training Organisations (FTOs) established across the country; India is strengthening capabilities for Pilot Training, Drone Pilot Certification, Aircraft Maintenance Engineering and Ground Handling.

AEROTROPOLIS: Metropolitan area or "aerocity" connected by multimodal transport, transforming airports from mere transport hubs into integrated, 24/7 economic centres, attracting investment and creating jobs.

POLICIES. REFORMS. PROGRESS.

- In March 2026, the Union Cabinet approved the Modified UDAN Scheme with an outlay of approximately Rs. 29,000 crore (US$ 3.28 billion) over the next 10 years to strengthen regional air connectivity, expand aviation infrastructure and accelerate aviation-led development.
- To strengthen infrastructure, the Ministry of Civil Aviation is pursuing privatisation of 25 additional airports under the National Monetisation Pipeline through public-private partnership (PPP) models.
- Foreign investment continues to underpin the sector's growth. Cumulative FDI inflows in India's air transport sector (including air freight) reached Rs. 41,025.22 crore (US$ 5,590.86 million) between April 2000-March 2026.

POST SHOW REPORT (AEDEX + AIRPORT EXPO 2026)

"INDIA IS NO LONGER ONLY PREPARING FOR THE FUTURE OF AEROSPACE, DEFENCE AND AVIATION. IT IS BUILDING IT."

AEDEX + AIRPORT EXPO 2026, held during 10, 11 & 12 September 2026 at Yashobhoomi, IICC, Dwarka, New Delhi, brought the aerospace, defence and civil aviation industries together on one platform for three days. The event highlighted India's evolving Defence & Airport landscape and provided an opportunity for business, technology providers, manufacturers, investors and decision-makers to explore emerging opportunities, forge partnerships and build the next generation of India's aerospace, defence and aviation ecosystem.

The event was inaugurated by esteemed Chief Guest – Vishvajit Sahay, Secretary (Defence Finance), Ministry of Defence, Government of India; alongwith Guests of Honour - Air Marshal Tejpal Singh, AVSM, VM, Dy. Chief of the Air Staff, Indian Air Force; Ravi K., Chairman & Managing Director, Hindustan Aeronautics Ltd. and other eminent dignitaries, Dr. VK Saraswat, Former Member Niti Aayog, Dr. A. Pashilkar, Honorary President, SIATI; Dr. CG Krishnadas Nair, Founder & President Emeritus, SIATI & I.P. Wadhwa, Managing Worker & Founder Director, TAFCON Group.

These events were supported by Ministry of Defence, Ministry of Civil Aviation, Ministry of MSME, Ministry of Commerce and Industry, DRDO, DGCA, CSIR, Government of India.

The Two Conferences on AEDEX and AIRPORT received a very high level of experts and professionals as speakers and panelists. Each of the 10 sessions had deep deliberations and suggestions on the way forward.

227 Exhibitors

25 Countries (Including Delegations)

50 Speakers

514 Delegates

58 SME's with PMS Grant

INDUSTRY REMARKS

It is a huge & very good initiative taken by the Organizers to organize an Event on this scale of niche sector. It is commendable.

I wish the Event very best.

Vishvajit Sahay
Secretary (Defence Finance),
Ministry of Defence, Government of India

Excellent Program; Best Wishes for Future Events.

Astronaut Gp Capt Shubhanshu Shukla, Ashok Chakra

It has been a very busy Expo. Our participation has been very beneficial. It has been a tremendous experience.

Ralph Leitner
Business Development Director
Aiolos Engineering Corporation, Ontario, Canada

Excellent Show !

Aleksandr Bazhanov
Senior Engineer
SC Rostec Regional office, Russian Embassy

Wonderful show and Great arrangements, warmth and excellent ambience created. My best wishes and continued success.

Keku Bomi Gazder
MD and CEO
Aviapro Logistic Services Pvt. Ltd.

Excellent Event and Hospitality.

Prof. Dr. C. G. Krishnadas Nair
Founder & President Emeritus, SIATI
& Former Chairman & MD, HAL

Well conducted exhibition. Brings together all the stake holders. Helps for networking and future developments.

Dr. Rajeev UP
Director, Vikram Sarabhai Space Centre (VSSC)
Indian Space Research Organisation (ISRO)

It was an incredible day exploring the latest advancements in technologies and abundant opportunities for joint ventures and export. My sincere appreciation to the Organizers for putting together such a seamless B2B networking environment.

Ravi K
Chairman and Managing Director,
Hindustan Aeronautics Ltd. (HAL)

The event provided a good platform for engagement and attracted lot of defence companies. I had several productive interactions during the exhibition.

Rahul Shinde
Senior Trade Adviser, National Armaments International
Ministry of Defence, British High Commission

Excellent Venue & Organisers

R. Rajesh
GM (Aero Commercial),
Cochin International Airport Ltd. (CIAL)

It was a wonderful three days at AEDEX & AIRPORT EXPO in Yashobhoomi. A big thanks to the TAFCON team from SIATI Family for making this happen!

Dr. Abhay A Pashilkar
Hony. President SIATI
Director, CSIR -NAL

AT A GLANCE - AIRPORT 2027

India's Premier Airport Expo and Conference

AIRPORT 2027 is India's Premier Event – a transformative platform to showcase cutting-edge airport technologies, equipment and services, airlines, OEM's of Airports & Aircrafts, MRO, Cargo, cyber security, etc.

This event is designed to bring together industry leaders, regulators, key decision-makers, manufacturers, technology providers, Government agencies and research institutions from India and across the globe to transfer technology, enable collaborations and explore new business opportunities for business growth.

AIRPORT 2027 and the co-located Aedex 2027 will serve as a catalyst platform to accelerate India's growth for emerging as a global aviation & a defence manufacturing powerhouse

UNLOCK UNLIMITED OPPORTUNITIES...

AIRPORT 2027 is more than just an Expo. It is a convergence point for airport planners, architects and infrastructure developers, Government and industry.

SHOWCASE OF GLOBAL EXCELLENCE

Showcase & Demonstrate your capabilities & products for Brand visibility & Recognition.

HIGH LEVEL CONFERENCES & KNOWLEDGE SESSIONS

Participate in expert-led seminars and workshops on airport modernisation trends.

INTERNATIONAL PAVILIONS

Engage in B2B meetings with international airport operators & consultants and explore joint ventures, export opportunities.

STRATEGIC NETWORKING

Connect with decision-makers and innovators for market insights.

MSME'S, START-UPS & INNOVATION PAVILION

Learn about advancements in Aircraft Components & Precision Engineering, Avionics & Electronics, MRO & Airport Technology & Ground Equipment.

GOVERNMENT ENGAGEMENT

Understand national policies, Government updates from Ministries and Regulatory bodies.

CHANNEL FOR BUSINESS EXPANSION

Connect with Investors & financial institutions.

EXPECTED PARTICIPATION (AEDEX + AIRPORT)

300+ Exhibitors | **25+** Countries | **500+** Delegates | **15,000+** Footfalls

PARTICIPATING OPTIONS

Built-Up Stall (min. 12 sqm.) (AC Exhibition Hall)	Includes: Octonorm Wall Panels, Carpet, Fascia in English, 1 Spotlight per 3 sqm., One 5 amp socket per 12 sqm., 1 Counter, 3 Chairs, 1 Glass Top Round Table, Basic Electricity consumption, Cleaning of the Stalls.
Bare Space (min. 36 sqm.) (AC Exhibition Hall)	Exhibitors can adopt design of their choice with approval of the organiser.
Sponsorship	Choose from Various Sponsorship Packages (Please ask for detailed brochure)

EXHIBITOR PROFILE

AIRPORTS, INFRASTRUCTURE DESIGNS AND CONSTRUCTION

- Airport infrastructure builders and developers
- Airport operators and management companies
- Aerodrome design and planning consultants
- Renewable energy solutions (solar, wind) for airports
- Water conservation and waste management systems
- Sustainable green building materials
- Lighting, equipment & services

AIRLINES & AIRCRAFT OEM's & INTERIORS

- Commercial, Business, Helicopters & Charter Aircrafts
- Engine Manufacturing and components
- Avionics and aviation systems
- Autonomous systems, sensors, etc.
- Advanced Air Mobility, eVTOL & Emerging Aviation Technologies

TECHNOLOGY & DIGITALIZATION

- AI, Robotics & Smart Technology providers
- Air Traffic Control Systems Modernizers
- Navigation & Communication systems
- Automation solutions for baggage, cargo, and passenger processing
- Biometric and passenger identification systems
- Cybersecurity solutions for airport operations

AIRPORT TERMINAL & GROUND SUPPORT EQUIPMENT

- Airport support vehicles manufacturers
- Parking & Traffic management solutions
- Baggage handling equipment
- Passenger boarding bridges manufacturers
- Seating, lounges & signages
- Duty-free and retail services
- Electric charging infrastructure

SAFETY & SECURITY

- Airport Safety & Firefighting Systems
- Airport Emergency & Disaster management providers
- Smart Surveillance and access control systems

CARGO & LOGISTICS

- Commercial, Civil & Defence service providers
- Warehouse & cold chain facility operators
- Supply chain solutions

MRO (Maintenance, Repair & Overhaul)

- Aircraft maintenance and servicing equipment
- MRO service providers

SUPPORT SERVICES

- Investment advisors and leasing firms
- Regulatory compliance specialists
- Training and capacity building providers

MSME'S, START-UPS & INNOVATORS

VISITOR PROFILE

- Airline & Airport Executives
- Airport Operators & Planners
- Senior Airline Management (Airline Operations, Strategy, Finance, Safety, and Customer experience)
- Government Representatives & Agencies
- Technology Startups, MSME's & Vendors
- Investors & Stakeholders in Aviation Projects and Airport Privatization.
- Civil Aviation Authorities & Regulators
- Aviation Consultants & Aerospace Engineers
- Industry Researchers & Analysts
- MRO Service Providers & Cargo Operators
- Police, Defence, Customs Officials
- Infrastructure Planners, Architects & Contractors
- Frequent Flyers, Travel Enthusiasts & Influencers
- Industry Associations, Institutes & Academicians
